However, once you get to the print link at the end of the book and open it, you see full page designs that are printable. Each page has an inspirational message and a somewhat extensive background to color. There is a decent variety of detail from page to page. There are a few that do have a bit much gray scale or black for my taste.I appreciate that these are not stock images.0 of 0 people found the following review helpful. Mixed Feelings on This OneBy RavenMadArtAs far as typography goes, there are a lot of styles included in this book from simple to ornate. Some could be colored and framed. They vary from easy to intermediate in difficulty. I canrsquo;t say that Irsquo;m real excited about the book overall. There are too many simple pictures, which could be colored by a child with crayons. There are only three or four that I care to color. Disclosure: I received this product for free in exchange for my honest and unbiased review.0 of 0 people found the following review helpful. Great designsBy Karren OlierI found that this book was very interesting and I am looking forward to coloring all the pages. I highly recommend this book.Inspirational Messages: 22 Unique Patterns to Help You Release Stress and Stay Positivte (Inspiration Relaxation)

In this book you will find 22 hand-drawn patterns from designers who are passionate about coloring. Together we strive to provide the best coloring experience for our readers and artists. "Inspirational Messages" was created to help people get charged with positive energy. You can have fun and use any technique that appeals to you. In a modern world it is essential to find a way to release stress. Coloring provides an amazing opportunity not only to relax, but to become more inventive and creative. However we decided to take it to the next step and produce a book which is stress-reliving and super fun as well. Spooky, silly, stunning patterns are perfect for those who need some

entertainment. We hope you will enjoy our original designs!
